From Engineer-in-Chief (R&B), Roads, Lr.No.11711-1/Plan-works-MDR/EE(R)/DEE.2/AE1/2012/1, Dated: -9-2012.

ORDER:

In the reference read above, the Engineer-in-Chief (R&B) State Roads, Hyderabad has stated that the Vizianagaram-Kothavalasa road is an important MDR. The road connecting two important roads i.e (1) NH.43 (R.V.road) and (2) SH.39(V.A.A.road) and also the road connecting to district Headquarters of Vizianagaram. The road passing through No. of major villages like Bheemasingi, Alamanda, chinaraopalli and kothavalasa etc. The total length of the road is 28.40 kms i.e., km 4/4 to 32/8 (0/0 to 4/4 is overlap of Vizianagaram-Padmanabham road). The road is having heavy traffic intensity 3068 CVPD and all the agriculture, commercial and industrial products are transported through this road to the market yards. The existing carriageway is not sufficient to cater for present traffic intensity and requires widening to 10Mt carriageway width for free flow of traffic and to avoid accidents and traffic jams. An amount of Rs. 10.00 crores is required for widening & strengthening the road.

2. He has further stated that the road from Bheemasingi-S.Kota is an important MDR in Vizianagaram District which connects to Vizianagaram District Headquarters to S.Kota and also Mandal Head quarters. The total length of the road is from km.0/0 to 19/0 = 19.00 kms. The road is passing through number of villages and Mandal headquarters of Jami & S.Kota. The road connects to V.A.A. road at km.52/4 (State Highway). All the agriculture, commercial and Industrial products are transported through this road to the market yards. All the Sugarcane vehicular traffic from surrounding villages are transported through this road to Bheemasingi sugar Factory which is located at km.1 of Bheemasingi-S.Kota road. The existing carriageway is not sufficient to cater the needs of the present traffic and facing much inconvenience due to heavy vehicular traffic. The traffic intensity is 2192 CVPD. Hence, requires widening and strengthening the existing single lane to Double lane from 2/8 to 4/0 for free flow of traffic and to avoid accidents. An amount of Rs. 4.00 crores is required for widening & strengthening the road.

3. He has also stated that the Nellimarla-Ranastalam is an important Major District Road. The road starts at km.7/4 of Vizianagaram-Palakonda road and ends at Ranasthalam of NH 26 (old NH-5). This passes through number of villages i.e. Nellimarla, Thumpala Peta, Kothapeta, Gorlepeta, Ramatheertham, Sathivada nad Mandal head quarters. The road connects two Districts i.e Vizianagaram and Srikakulam. There is a famous pilgrim centre located at km.5/2 namely Ramatheertham. All the agriculture produces transported through this road. The road has heavy traffic intensity, the CVPD is 946. Due to single lane carriage way, the vehicular traffic is facing much inconvenience and frequently traffic jams and accidents taking place. Hence it is necessary to widen the existing single lane carriage way to Double lane carriage way. An amount of Rs. 7.35 crores is required for widening & strengthening the road.
